PROFESSIONAL PROFILE

Entry-level Cybersecurity Professional with a strong interest in Blue Team operations and web application security. Equipped with fundamental knowledge of threat detection, incident response, vulnerability assessment, and web penetration testing. Dedicated to expanding technical expertise and contributing to organizational cybersecurity through proactive defense and continuous learning.

SKILLS

Technical Skills(Defensive Security) ● ● ● ● ●

- SOC analyst level 1
- Incident Response
- Threat Hunting

Technical Skill(Offensive Security) ● ● ● ● ●

- Vulnerability assessment
- web penetration testing
- Ethical hacking

Technical Skills(Programming) ● ● ● ● ●

- Python
- Bash
- Java script
- react

Technical Skills(Security Tools) ● ● ● ● ●

- Burpsuite
- Wireshark
- Nmap
- Metasploit
- Nessus

Soft Skills ● ● ● ● ●

- Problem Solving
- Teamwork and Collaboration
- Communication
- Leadership(Project Team)

PROJECTS

[School e-Assisstant](#)

This project is an AI-powered educational platform designed for Grade 7–12 students to make learning from curriculum textbooks easier and more effective. The system analyzes textbooks, simplifies complex topics, generates summaries, and provides personalized learning support. By improving reading comprehension and study efficiency, the platform helps students better understand their subjects and achieve academic success.

[Cyber Enhanced Website Monitoring and Threat Detection System](#)

Final Year Project

EDUCATION

Bachelor of Science in Cyber Security with CGPA 3.69/4.0 at, [Bahir Dar Institute Of Technology, Bahir Dar University](#) 

Graduated Year – June 27, 2026
Bahir Dar, Ethiopia

Relevant Courses:

- Ethical Hacking and Penetration Testing
- Human Security
- System Security
- Operating system Security
- Digital Forensics and its applications
- Web Security
- Risk Assessment and Business Continuity
- Cyber Law and Ethics in Ethiopia and world

CERTIFICATE AND TRIANINGS

[OWASP API Security TOP 10](#) 

[API Security Fundamentals](#) 

[Internship Certeficate at MMN](#) 

Trianings

- Bahir Dar Institute of Technology career development center(BIT,CDC) Design Your Venture(DYV) training collaboration with Entrepreneurship Development Institute(EDI).
- Effective Presentation Skill By BIT, Career Development Center(CDC)

[Effective Presentation Skill Training](#) 

Developed a platform for continuous website and domain monitoring with proactive threat detection. Implemented real-time alerts via email and dashboard, tracked domain and DNS changes, and generated automated security reports to improve visibility and incident response.

[Internship Project\(01\)](#) , **Ethical Hacking and Vulnerability Research Target: Addiss Ababa University(www.aau.edu.et) Purpose Educational.**

Conducted security assessments on university web applications and identified HTTP security header vulnerabilities, including missing or misconfigured security headers. Documented findings, assessed security risks, and provided remediation recommendations to improve the institution's web security posture.

ORGANISATIONS

[Information Network Security Administration\(INSa\)](#) , **Internship Responsibility: Penetration Tester and Vulnerability Assessment**

06/2025 – 09/2026 | Addiss Ababa, Ethiopia

[Bahir Dar Institute Of Technology, Bahir Dar University](#) 

Duration Time 02/2023 – 06/2026

Cybersecurity enthusiast with academic and hands-on experience in Ethical Hacking, Penetration Testing, Web Security, Digital Forensics, System Security, Risk Assessment, and Blue Teaming. Developed strong technical and analytical skills through coursework and practical projects at Bahir Dar University (BDU). Experienced in vulnerability assessment, security monitoring, and incident response, with a passion for improving organizational security.
